**Title:**

Amendments to the Cannabis Regulations: With a Focus on Edible Cannabis

**Speaker:**

Lisa Quiring, Senior Advisor, Regulatory Affairs, Health Canada

**Biography:**

Lisa Quiring is a Senior Advisor in Regulatory Affairs from Health Canada. With a background in legal studies, she has extensive experience working in regulation across government. At Health Canada since 2017, Lisa was involved in enacting the *Cannabis Act* and making the related regulations. In particular, Lisa drafted the new *Industrial Hemp Regulations*, and created the licensing framework and the packaging and labelling provisions for the new products (edibles, extracts and topicals) in the *Cannabis Regulations*.
